COOKIE POLICY

WHAT ARE COOKIES?

A Cookie is a small text file that is placed and stored on your computer, mobile or other device by websites that you visit. Cookies are widely used in order to make websites work, or work more efficiently, and also to provide information on visitor behaviour to the website owner. Cookies are safe and secure and are commonly used by websites.

HOW AND WHY WE USE COOKIES:

We use cookies to give you the best experience when you visit our website. Cookies do many different jobs. They can help you to navigate between pages efficiently, remember your preferences and make it easier for you when apply for products and services. The Cookies we use do not contain any sensitive information such as your name, address or any payment details. Sensitive information which you choose to provide to us as part of the quotation process is stored securely and is not collected in the form of a Cookie.

We use Cookies for the following reasons:

- to recognise your computer when you visit our website
- to enable users to obtain a quotation
- to improve the website's usability
- to ensure the security of our customers
- to track you as you navigate our website

The types of Cookies we use:

- **'Strictly necessary'** Cookies are essential in order to enable you to move around our website and use its features. Without these essential cookies, services you have specifically asked for cannot be provided, such as asking for a quote or applying for one of our products.
- **'Performance'** Cookies collect information about how you use our website e.g. which pages you visit, and if you experience any errors. These cookies do not collect information that identifies a visitor. All information these Cookies collect is aggregated and therefore anonymous. It is only used to improve how our website works.
- **'Functionality'** Cookies are used to provide certain navigation elements of the website which enhance your browsing experience. They can also enable us to remember setting choices you make to improve your visit.
- **'Targeting'** Cookies are used to collect information in order to deliver adverts more relevant to you and your interests. We may use 'Targeting' Cookies to link to social networks like Twitter and Facebook, who may subsequently use information about your visit to target advertising to you on other websites.
